

# Dragon Boat Team

**Help support us.  
Buy a Paddle!**

Imagine your company name, family name, the name of a special person you would like to honor or remember, on a dragon boat paddle. Now imagine that paddle in the hands of a spirited Hope Chest team member, splashing through water, thrilled to be in the race of her life, jubilantly crossing the finish line!

Your paddle will proudly display your selected names for the entire race season, while traveling with the team to cities all over North America. At the end of the season we will present you with the paddle and a pictorial view of the team members who have paddled with your special paddle in various cities and races.

**We thank you in advance for your generous show of support.**

Paddle donation, \$1500
